Bosstok

Pinotage

2019

Bosstok refers to the untrellised bush-vine vineyards that make up more than half of the vineyards of our region. The bosstok Pinotage vineyards grow close to the ground, producing lower yields of concentrated, flavourful grapes.

Winemaking

Grapes were hand-harvested at between 24 and 25° balling and fermented in stainless steel tanks over 5 days with frequent pump-overs. At around 8 degrees balling, the skins were removed and the wine was pressed and racked back to tank for completion of alcoholic and malolactic fermentation. 25% of the wine was matured in American oak barrels (20% new) for 12 months. Fined and filtered before bottling.

Vineyards

Sourced from our Agter-Paarl vineyards, we select younger bush-vine vineyards to ensure retention of the characteristic pure fruit flavours and softer tannins. The Malmesbury Shale soils and unirrigated vineyards combine to give wines with concentrated, juicy fruit flavours, minerality and elegance.

Technical details

Blend: 87% Pinotage, 7% Cinsault, 6% Grenache
Grape source: 100% Coastal Region
Closure: Screwcap
Barcode: EAN 6009669350420
Alc: 13.5% · **RS:** 3.8 · **TA:** 4.8 · **pH:** 3.58

Wine description

A modern style emphasizing the softer Pinot Noir-like characteristics of Pinotage. The wine is ruby-garnet red with a hint of purple. Our Pinotage shows pleasing aromas of mocha and roasted coffee beans, followed by juicy flavours of red-berries, nutmeg and vanilla spice on the palate. The sweet fruit flavours of this medium-bodied Pinotage make it an ideal match for spicy food, pizza, smoked pork and flavourful venison dishes delicious just by itself. Serve at a cool room temperature.

Vintage

2019 was a rather warm and dry season influenced by the ongoing drought conditions, yet we did not suffer any drastic heat spikes during the harvest period, thus the vines showed little stress. Overall fruit quality was excellent, producing a healthy crop of very small berries with great concentration of flavour.

The Integrity and Sustainability certification seal

- The vintage, variety and origin on the label are correct
- The wine has been produced sustainably, in an environmentally-friendly manner
- The wine can be traced back all the way from the vine to the bottle
- It was bottled in South Africa – so it is 100% South African
